

All-in-One Professional Grease Gun Kit

The **42 Pc. All-in-One Professional Grease Gun Kit™** is geared for demanding performance in lubrication maintenance. The Kit features a tough-duty, chrome-plated grease gun with a per-stroke volume that exceeds U.S. military standards – the big gun for the biggest jobs. The Kit is packed in a rugged case that stands up to heavy use and stores the gun with plunger rod fully extended.

Contains everything needed to take grease application conveniently from start through clean-up. Use it on trucks, cars, boats, trailers, ATVs, motorcycles, mowers, farm equipment and implements – any application up to 500° F. Ideal for sliding surfaces, slow-moving bearings, open gears, exposed wire rope and marine fittings subject to corrosion & seizing.

Contents:

- **Tough, Double-wall Polyethylene Tool Box** with handle and two latches, designed for portability, ease of storage and organization. Dimensions: 25" x 8" x 4.5".
- **High quality, Chrome-plated Grease Gun** with comfortable vinyl-covered pistol grips rated at **6,000 PSI** (meets ISO 9002 manufacturing standards). Grip-mount safety catch helps prevent leaks when charged gun is stored in case.
- **2 – 14 oz. Waterproof Green Grease™ Cartridges** – first to offer a leak-resistant plastic cartridge to the retail market.
- **1 – 5 oz. tube of Simple Green™ Heavy-Duty Hand Cleaner Gel** and 2 All-purpose Shop Towels for quick clean-up.
- **18-inch Flex Hose** reaches tough-access lubrication points.
- **Adjustable Hydraulic Coupler** secures zerk fitting for cleaner, more accurate grease application.
- **Chrome-plated Needle Dispenser** for needle-type (non-zerk) grease fittings such as those found on CV-type driveshafts.
- **12 S.A.E. Zerk Fittings** suitable for most applications. **Sizes:** 1/8 NPT & 1/4 NPT straight, 45-degree, & 90-degree (2 of each).
- **12 practical Zerk Fitting Covers** prevent leaks and keep grease free of contaminants.
- **Clear Zerk Fitting Case** with six individual compartments, latch closure, and pegable hanging tab.
- **Coupler End Cap** prevents contamination and leakage.
- **Green Grease Logo T-shirt** is vacuum-packed into the shape of a racing truck. Shirt color: white. Size: XL.
- **Sellars Officially Licensed NASCAR Shop-Auto-Home Disposable Towels** are highly absorbent and especially effective against grease-based spills.
- **NASCAR or Indy 500 Light Sensitive Sound Chip** with high-speed engine roar.
- **Instruction Manual** for gun loading and operation.

Professional Grease Gun Specifications:

- Rated at 6,000 PSI
- Three way loading – 14 oz. cartridge, bulk suction filling, & pressure filler pump
- Air bleeder valve to remove air locks
- Push lock plunger rod assembly
